

GOPAL - Week 1 Growth Plan (Team Member - Social Media)

Team Target: INR 46,994+ combined revenue **Your Focus:** Learn social media basics, create content, build engagement **Dates:** Sat 4 Jul -> Fri 10 Jul (Sunday OFF)

Important - Read This First

You are new, so tasks are kept simple. Max 2-3 hrs per day. - If something is not clear, ask any team member - Making mistakes is allowed - that is how you learn - Start slow, speed will come naturally - Daily update in team Google Sheet is mandatory

Day 1 — Saturday, 4 July (Learn the Basics)

[HIGH] Task 1: Check Existing Accounts (30 min)

- Verify these accounts exist:
- Instagram: search @websbond
- Facebook: search /websbond
- LinkedIn: search /company/websbond
- YouTube: search @websbond
- If any account is missing, inform the team

[HIGH] Task 2: Analyze 5 Competitors (1 hr)

- On Instagram, search:
- "web designing company Gurugram"
- "digital marketing agency Gurugram"
- For each competitor page, note:
- Follower count
- Type of content they post
- Caption style
- Hashtags used
- Write findings in your notebook

[MEDIUM] Task 3: Canva Quick Start (1 hr)

- Go to canva.com (create free account if needed)
 - Click "Instagram Post" template
 - Create 3 practice designs:
 - One with solid background + text
 - One with photo + overlay text
 - One with gradient + logo
 - Do not worry about quality - just learn the tool
-

Day 2 — Monday, 6 July (Content Planning)

[HIGH] Task 1: Understand Brand Voice (30 min)

- Read websbond.com homepage and services pages
- Note the tone: Is it professional? Friendly? Young?
- Summary: "Websbond talks like a trusted expert who is also approachable"

[HIGH] Task 2: Create Content Calendar (30 min)

- Open Google Sheets
- Columns: Date | Day | Post Type | Topic | Caption | Image | Status
- Plan 7 posts for next week (one per day):
- Monday: Tip/Educational
- Tuesday: Client work showcase
- Wednesday: Industry insight
- Thursday: Service highlight
- Friday: Behind the scenes
- Saturday: Engagement post

[HIGH] Task 3: Design 2 Posts in Canva (1.5 hr)

- Post 1: "5 Signs Your Business Needs a Website"
 - Simple background, big text, bullet points
 - Post 2: "Websbond - Your Digital Growth Partner"
 - Include logo, tagline, contact info
 - Show to team for approval before posting
-

Day 3 — Tuesday, 7 July (First Posts Go Live)

[HIGH] Task 1: Publish on Instagram (1 hr)

- Upload Post 1 from yesterday
- Caption (Hinglish):

5 signs your business needs a website in 2026:

1. Customers search Google but cannot find you
2. Your competitors are already online
3. You answer the same questions daily ("where are you located?")
4. Your business is local but not visible online
5. Sales are growing? A website can double them

We build websites that bring customers.
Based in Gurugram, serving local businesses.

#Gurugram #WebsiteDesign #DigitalMarketing #GurugramBusiness
#LocalBusiness #SmallBusiness #WebDevelopment #SEO

- Add 15 hashtags total
- Tag location: Gurugram

[MEDIUM] Task 2: Cross-post to Facebook (30 min)

- Same post and caption on Websbond Facebook page

[MEDIUM] Task 3: Design Tomorrow's Post (30 min)

- Topic: "Why Google My Business Matters"
- Have it ready for tomorrow

Day 4 — Wednesday, 8 July (Engagement)

[HIGH] Task 1: Reply to Comments (30 min)

- Check all old posts for comments
- Reply to every single one
- Style: Friendly + professional
- "Thank you! Connect with us anytime."
- "Yes, we are based in Gurugram. Happy to help!"

[HIGH] Task 2: Active Engagement (1 hr)

- On Instagram, search "digital marketing Gurugram"
- Find 20 recent posts/reels
- Leave genuine comments:
- "Great insight!"
- "Very helpful for local businesses"
- Do NOT spam. Be genuine.

[MEDIUM] Task 3: LinkedIn Post (30 min)

- Take the same content, make it professional:

5 signs your business needs a website in 2026.

If you are still relying only on word-of-mouth, you are losing customers.

#BusinessGrowth #DigitalMarketing #Gurugram #WebDesign

[MEDIUM] Task 4: Track Performance (15 min)

- Check Instagram insights
 - Note: views, likes, comments, shares
 - Enter in tracking sheet
-

Day 5 — Thursday, 9 July (Content Creation)

[HIGH] Task 1: Create 3 Reels (2 hr)

- Reel 1: Quick intro about Websbond (30 sec)
- Hold phone, introduce: "We are Websbond, a Gurugram-based digital agency..."
- Show laptop/workspace in background
- Reel 2: Problem-solution format (30 sec)
- "Your business not showing on Google? Here is the fix..."
- Reel 3: Behind the scenes (15 sec)
- Team working, coffee, laptop vibes

[HIGH] Task 2: Hashtag Research (30 min)

- Research 30 hashtags in 3 sets:
- Set 1: #Websbond #Gurugram #DigitalMarketing #GurugramBusiness
- Set 2: #WebsiteDesign #SEO #GoogleAds #SocialMediaMarketing
- Set 3: #LocalBusiness #SmallBusinessIndia #GrowYourBusiness
- Rotate sets between posts

[MEDIUM] Task 3: Schedule Tomorrow's Post (15 min)

- Thursday's post ready in Canva
 - Caption ready
 - Schedule via Meta Business Suite if possible
-

Day 6 — Friday, 10 July (Review & Plan)

[HIGH] Task 1: Full Performance Review (1 hr)

- Instagram insights report:
- New followers gained: ____
- Best performing post: ____
- Total engagement: ____
- Reel views: ____
- Take screenshots of everything
- Enter data in team Google Sheet

[HIGH] Task 2: Weekly Report (30 min)

- Summary for team:
- Total posts: ____
- Total reels: ____
- Followers gained: ____
- Total engagement: ____

[MEDIUM] Task 3: Plan Next Week (30 min)

- Decide themes for 7 posts:
- Monday: Tip
- Tuesday: Testimonial/client result
- Wednesday: Industry trend
- Thursday: Service highlight
- Friday: Fun/BTS
- Saturday: Offer/discount

[LOW] Task 4: Learn One New Skill (15 min)

- YouTube search "Canva tutorial Hindi"
- Watch 1-2 videos
- Practice one new technique

Tips for GOPAL

Don't

- Do not buy fake followers (ruins the account)
- Do not spam comments on other pages
- Do not use same hashtags on every post
- Do not post client work without permission

Do

- Always use local hashtags (#Gurugram, #DelhiNCR)
- Post Instagram Stories daily (boosts engagement)
- Reply to every single comment
- Stay consistent - skipping one day hurts the algorithm

Canva Tips

- Use templates: "Social Media" > "Instagram Post" > search
- Set up Brand Kit: Colors + Logo (Settings > Brand Kit)
- Use resize button to convert post for FB/LinkedIn
- Recommended free fonts: Poppins, Montserrat

Best Posting Times (Indian Audience)

Day	Best Time
Mon-Fri	9-11 AM or 7-9 PM
Saturday	12-2 PM
Sunday	6-8 PM

Hashtag Strategy Per Post

- 10 small hashtags (under 50k posts) - #GurugramBusiness
- 10 medium hashtags (50k-500k) - #DigitalMarketing
- 5 large hashtags (over 500k) - #Marketing
- Total: 25 hashtags per post

AI Tools for Social Media

Tool	How to Use	Free?
ChatGPT	Write captions, hashtag research, reel scripts	Yes
Canva AI	Magic Design, Magic Write, BG remover	Yes
CapCut	Auto captions, text-to-speech, auto-cut	Yes
Gemini	Content ideas, trend research	Yes
Perplexity	Latest social media trends	Yes
Remove.bg	Remove image backgrounds	Yes

Sample ChatGPT prompts (copy-paste): - "Write a Hinglish Instagram caption for a post about website design services. Target: Gurugram business owners. Include 15 hashtags." - "Give me 5 reel ideas for a digital marketing agency based in Gurugram" - "Write a reply to this comment: 'Kitne me banti hai website?'" - "Analyze this competitor Instagram profile and tell me 3 things they do well: [handle]"

What Week 2 Looks Like

- Create posts independently (no hand-holding)
 - Daily 1 reel
 - Start posting Stories
 - Double the engagement
-

First week is about learning the tools. Week 2 is about creating. Go step by step.
